

Exhibition on Progression of Indian Heritage Post Independence
Conducted by I year- II Sem MBA students on 27, June 2022
Report Submitted by Dr. K. V. Geetha Devi

MBA department has organised an Exhibition on Progression of Indian Heritage Post Independence on 27 June, 2022 in WB 316. Principal Dr.C. Yuvaraj, Prof. Kamal Basha Vice Principal Administration along with HoD Prof. Sremmant Basu inaugurated the exhibition. Exhibition is all about showcasing the difference in ancient and modern times with regard to Life style, Currencies, Education, Dressing , Farming and Food habits.

Life style: Group has explained about the changes in life style by showing the joint family and nuclear family pictures, using of mobiles, changes in the usage of cooking utensils

Currencies: The group has showcased the currencies after independence and after demonetization too

Education: The group has showcased the online education and distractions

Dressing habits: The group has highlighted the dressing styles across different states.

Farming Techniques: This group highlighted the modern and ancient techniques of farming in India.

Food habits: This group has emphasised on changing food habits by displaying the different kind of food items.

Principal Sir has gone through every aspect of exhibits and congratulated the department for organising and remembering the ancient system and asked students which one you all will follow and advised them to take best of both and follow them. Principal Sir has suggested to follow the healthy diet for longer and disease-free life.

HoD has congratulated students for taking active part and shared his views about the exhibition and pointed out the kind of food and change of culture we have now.

Faculty members and students of MBA and also from other departments visited the exhibition.

I Sincerely thank the Principal, the Management & the Head - Department of Management Studies for giving me this opportunity.
