

## **Guru Purnima Celebrations in the Department on 13,July,2022**

Guru Purnima is observed to honour the gurus and teachers for guiding us. The origin of Guru Purnima can be found in the Vedic Period. To express the gratitude to our gurus for their dedication and selflessness in nurturing a child. We celebrate the special bond between students and teachers.

MBA I year II sem students have celebrated Guru Purnima in the department. All faculty members and students gathered in WB-316 the room was decorated with flowers and balloons.

Vice principal Academics Prof Ramanathan, Prof. Basabi Chakraborty, Professor and Dean School of Computing, Prof.Sremmant Basu, HoD Department of Management studies, Dr.D.Pradeep, Chief Coordinator, PAARC cell attended the function.

Vice principal Academics Prof Ramanathan addressed the students and said he is delighted to participate and see students showing their respects to their teachers and also told to keep in contact with your teachers always.

Prof.Sremmant Basu, congratulated the students for this initiation and addressed the students that the students who have respect for their teachers, no body can stop them in his/her life. Students should learn to contribute to their Alma-mater in whatever way you can.

Prof. Basabi Chakraborty, shared her experiences in MITS and compared with her Japan experience. She told for the first time Iam attending such event.

Dr.D.Pradeep questioned students how to respect teachers and said respecting teachers should not happen on any particular day, everyday this should happen by following them. We worship gurus by listening to what they say.

Faculty members in the department felt happy to be part of the event.

Sweets were disturbed and Students took blessings from their teachers by touching their feet.

I Sincerely thank the Principal, the Management & the Head - Department of Management Studies for giving me this opportunity.
