Attendance: 100 students from Department of Management Studies

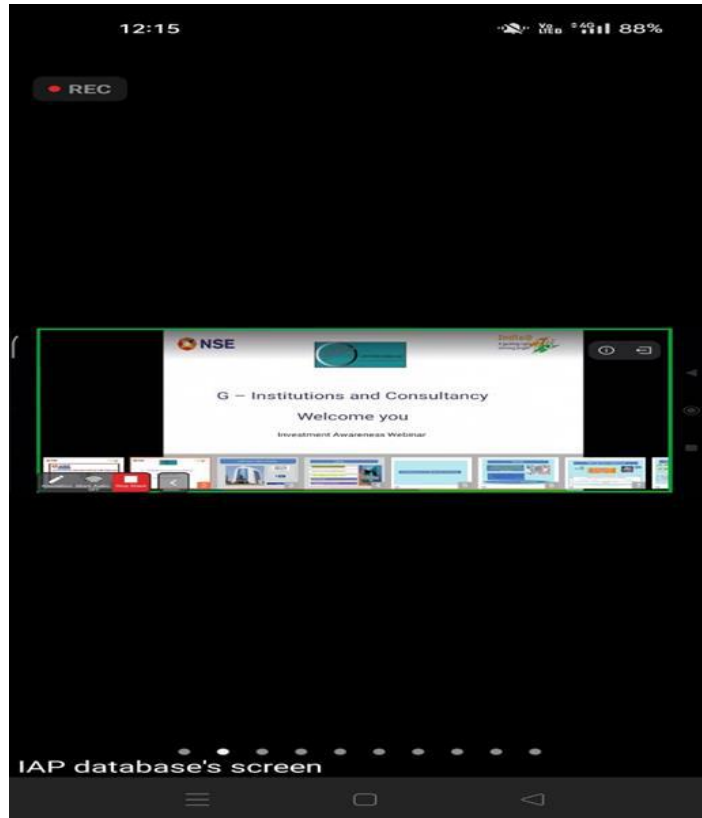

The Department of Management Studies has organized a webinar on an Investor Awareness Programme for Future Managers on 21st July 2022. The session timing was from 12:00pm-01:30 pm. The Opening remarks of this webinar was given by Dr.Sremmant Basu Dean Administration and International Relation and Head Department of Management Studies. The resource person Dr. Sarika R Lohana was introduced by Dr. G. Anjali, Assistant Professor and event Coordinator, Department of Management Studies. The resource person highlighted the importance of Investor awareness for future managers to the students.

The expert speaker addressed the students with the various insights into Investor awareness and its importance for the future mangers in making financial decisions in a successful manner. The different ways that can benefit individuals with regards to investing in the Capital markets nationally and internationally was discussed. The various investment aspects like equity trading, derivatives trading, currency trading and mutual funds and their risks & returns were detailed by the speaker.

The webinar was of more interactive in which the students were asked to clear any queries with the resource person. This webinar content helped the students enhance their knowledge on financial decisions.

Various opportunities for investment were explained such as Mutual funds, Equity market (Primary & secondary) & Capital markets. Out of which the safe investment is Mutual fund investment as suggested by the resource person for those who want good return on their investment in long term. Various options were explained which ensure good Return on Investment (ROI) for the investors. Along with this, information about the derivatives trading and Futures & options was also discussed.

Apart from the interaction during the program also had a Question-Answer session at the end of the session in which many students raised their queries which were answered by the SEBI Resource person.

**Feedback:** The participants gained a lot in terms of awareness & knowledge in Investment opportunities for investor. The students felt happy and satisfied with information and explanation given by the resource person. The session was concluded by a formal vote of thanks, which was given by Dr.G.Anjali, Assistant Professor, Department of Management Studies.
