Report on
Workshop on “Tally ERP Package 9.0”
Organized by Department of Management Studies
8 & 14 February 2015

Submitted by: Dr. Nagaraj P, Assistant Professor, Department of Management Studies

A Two-day Workshop on “Tally ERP Package 9.0” was organized for MBA Ist Semester Students by Department of Management Studies at our campus.

The workshop was organized on two days, **on the First Day** i.e., 8th February, 2015 in the first session basic theoretical concepts of accounting were explained and in the second session Tally package was introduced to students and they were also given some accounting problems and asked to Journalize the transactions, post them into various accounts, prepare trial balance, and compute financial statements (Trading and Profit & Loss A/c, and Balance Sheet) manually at home.

On the Second Day i.e., 14th February, 2015, Hands-on-Experience was provided to the students in the Lab (Circular Block, 1st Floor). The assignment problems given in the previous session were computed on the system using the Tally ERP Package.

The Lab session was divided into three slots:

- Slot 1 which was scheduled from 9:00 AM to 11:00 AM Exclusively for Non-Commerce Background students.
- Slot 2, was scheduled from 11:00 AM to 13:00 PM for Commerce Background students.
- Slot 3, was scheduled from 14:00 PM to 16:00 PM Commerce Background students.

The main motto of the workshop was to enable students to gain Hands-on-Experience on Tally Software and understand its efficiency.

The Resource Person **Mr. K Srinivas**, Goodwill Computer Education Centre, has shown keen interest in delivering the lectures. He appreciated the students for their inquisitiveness in learning the software. After the each lab session, he clarified the doubts of the students and asked the students to contact him freely, if they have any more doubts. He also promised to visit the campus in the future.
